

EXTRA ANNOUNCEMENTS

MISSION OF THE MONTH/MERCY SHIPS: Mercy Ships is an international charity based on Christian values that operates the largest non-governmental hospital ships in the world. Each year they send hospital ships filled with volunteer medical professionals who selflessly provide life-changing surgeries to children and adults who otherwise would go without. Together they are saving lives. Please write Mercy Ships or Mission of the Month on the memo line of your check any Sunday in November.

PRESBYTERIAN FAMILY FOUNDATION: This is a private, nonprofit organization driven by a mission to serve adults with intellectual disabilities — protecting, supporting and empowering them to pursue a life of purpose and fulfillment. For each individual, this means something different. Each person has goals and dreams of their own and PFF serves the everyday dreams of each of the people in their care. PFF serves about 300 clients in the area. Most have families, but some have no relatives. This **November** we would like you to donate Christmas gifts to their clients that would not receive any Christmas gifts. There are lists of the gifts PFF suggests getting on the table in the back. Place your **unwrapped** gift on the table in the back.

THE TEXAS MISSION TRIP will be Feb. 8th - 18th, 2024 (Feb. 10th - 17th if a person flies). The cost is \$350 per person plus travel costs. This year rather than spending most of our time finishing a house; we plan to partner with a different Christian ministry that runs a food bank, clothing bank, furniture bank and does light construction work. If you have any questions, please ask Pastor Rob. Sunday, Nov. 12th is the deadline for participation so we can reserve our lodging.
